HanseYachts AG wins British Yachting Award „Boatbuilder of the Year 2018”

Dear colleagues from the press,

We proudly announce that the HanseYachts AG including the brands Hanse, Dehler, Varianta, Moody, Privilege, Sealine and Fjord, just received the British Yachting Award in the category “Boatbuilder of the year 2018”.

Sailing Today: “HanseYachts AG is one of the biggest manufacturers in the world and their UK broker Inspiration Marine is the one of the most successful in the United Kingdom. It seems they have a business plan that is working and are producing good quality yachts for a big market.”

We couldn't have reached such a big presence in the UK without the outstanding work from Inspiration Marine, which we are deeply grateful for. Director Phill Dollin made use of the opportunity to attend the Awards ceremony at the Royal Thames Yacht Club in London, and to receive the price in person on behalf of HanseYachts AG.

Let`s keep up the good spirit for 2019!
